

Congressman Cecil R. King announced today that competitive examinations for appointments to cadetship in the United States Coast Guard academy will be held February 24 and 25, 1958.

The veteran 17th District legislator emphasized the opportunity offered young men who choose this four-year course which leads to a Bachelor of Science degree in engineering and a commission as a career officer in America's oldest seagoing service.

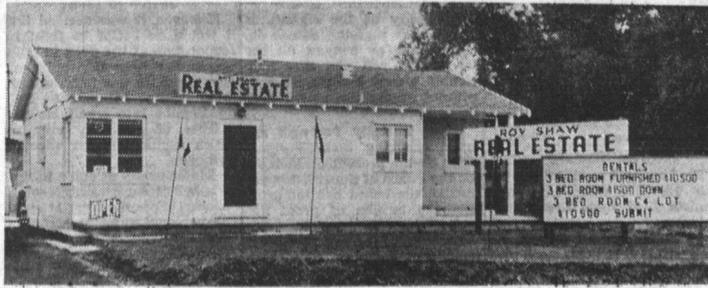

"I urge all qualified young men who are interested in a worthwhile profession to write for details and applications as soon as possible to the United States Coast Guard Headquarters, Washington 25, D. C. 'The Coast Guard academy at

New London, Conn., like the Naval academy at Annapolis, the Military academy at West Point and the Air Force academy at Colorado Springs, trains young men to become members of the team devoted to keeping our country strong," Congressman King stated.

**'HIDDEN ASSETS' REVEALED**

Torrance city's \$9,710,362 in new building permit valuations for the first six months of 1957 and the growing private debts they represent are protected by vast reserves of "hidden assets" in the form of holdings of United States Savings bonds.

In this community they amount to \$16,950,000, said George W. Post, Torrance Savings bonds chairman. This is assuming the community to be a typical one in which one-fourth
